### **THIRD PARTY RANKINGS**

Third party rankings and recognition from ratings services are no guarantee of future investment success. Working with a highly rated adviser does not ensure that a client or prospective client will experience a higher level of performance or results. Ratings should not be considered an endorsement for the adviser by any client nor are they representative of any one client's evaluation. Generally, rankings are based on information prepared and submitted by the adviser, or the amount of assets under management by the adviser. Please refer to the more thorough disclosure and additional information about the criteria used in making these rankings via the website of the publication and/or organization granting such recognition.
